The Daughters of the American Revolution Library has one of the largest collections of verified family histories available. Find out how to access these records to expand your family tree or prepare an application for a lineage society.

We will discuss how to navigate the DAR website and what documents are necessary to join a lineage society and how to locate them.

Bring your questions, your family history paperwork, a notebook, and a laptop if you have one! Registration is required for this limited-seating event. Send in your registration ASAP to reserve your spot.
